L'Academie De Danse

At L'Académie De Danse, our recital is more than a performance- it is an important educational experience for our dancers!

Sponsorships help make our annual recital possible. Sponsorships help support the many production elements that bring our dancers' hard work to life on stage. Your support helps provide professional theatre space at Wright Auditorium, rehearsal time for our dancers, professional lighting and sound, and other recital production needs.

These elements allow our students to experience performing in a full theatrical setting, while sharing the art of dance with our community.

We love our town of Winterville, and we *love* our local businesses! By purchasing a sponsorship for our recital program, you can support our students and reach a larger audience of customers on our much-anticipated recital day.

Below you will find our Local Business Sponsorship Levels.

Sponsorship Benefits :

- 300+ audience members via recital program Insert
- Sharing your ad to our 1700+ collective social media followers
- Innumerable passers-by for our storefront sponsor showcase for the 2026-2027 ballet year! *see back of flyer*
